Bishon

DEAR BEOTHER:

To enable us to carry into effect the instructions of the First Precilency, (a copy of which you will please find enclosed, ) in outfitting and forwarding five hundred Teams to the terminus of the U.P.R.F. for the purpose of bringing in the Poor expected from Europe and the United States this summer, it will be necessary that every Latter-day Saint in the Territory, who has it in his or her power, to lend a helping hand. will have to furnish

f.ur yokes of Ozen "or their equivalent in strength in Mules or Horces," to each wagon, with gool and trusty Mounted Guard, all armed and equipped for a journey of from sixty Teamsters, and to seventy days, from this City and back, with Clothing, Provision , Fire Arms, Ammunition, Shoes and Nuils for Animals, Picks, Spades, Saws, Azes, Ropes, &c., complete, without the least expectation of receiving assist pounds

ince from any other source. You will also have to furnish Figur and

rounds Meat, either on foot or curel, (if on foot to be driven in loose herds,) also Oried Fruit, Cheese, Vinegar, Beans, Peas, Pickles, Oried Corn, Ealt, &2., &c., in propor-

tion to the Flour and Meat required. All these articles are for the immigrants and must be furnished in addition to the outfit of the Teamsters and Guards.

The Companies are expected to start from this City about the 15th of June next. The Teamsters, Guards, Teams, Outfit, Provisions for the Poor, &c., must be such as will bear strict inspection in every particular

In due time you will be advised as to who will be the Cartain in charge of the Company in which your Teams will be numbered.

The necessities of the case will require a strong and united effort to accomplish this great and go d undertaking and from the past liberality of the Saints we feel assured that they will cheerfully respond to this

Please acknowledge the receipt of these instructions, and to present delays you should complete your arrangements immediately, and forward to us by mail a detailed report of every article furrished in I ind and value, that the people, through the General Tithing Office, may receive their legitimate credits in full on their

Latter-day Saints: You have for years past been doing a great and nick's ways, in from the confines of wretchelness and want, and at the earnest appeal of Frecilent Your - are Thousands to help bring many others to the terminus of the Railroad, for doing all with, our limits an increasing anxiety on your part to build up the Kingdom of God, Heaven will most a sure My within id no good thing from you.

Praying God to bless you and all faithful Saints, we remain

Your Frethren in the Gerrel

LM. Many
